

## DMC SERVICES

# NOOSA DESTINATION MANAGEMENT COMPANY

Noosa DMC is a corporate event management company you can trust. They offer a personalised, highly detailed corporate concierge service to streamline planning your next business event in Noosa.

They have the expertise and contacts to create a seamless and memorable experience, from sourcing business accommodation and conference venues, to handpicking unique outdoor activities and team building programs tailored to your team and event. They'll handle the airport transfers, off-site dining, management of guest speakers and offer meet and greets to all attendees, so you can enjoy your event and worry less about the logistics.

Take your corporate event planning to the next level with their complete business concierge service. Noosa Destination Management Company is your complete One Stop Shop. Making you look good is what they do best.
