

5-DAY ITINERARY: NOOSA ICONS

 Noosa National Park

 Australia Zoo

OVERVIEW

Immerse yourself in the Noosa UNESCO Biosphere Reserve where you'll find nature at every turn. Noosa is a World Surfing Reserve, it's home to one of only two everglade systems in the world, and you can see over 700 native wildlife species (in the wild) and 44% of Australia's bird species. You will be spoilt with crystal clear sandy beaches, coastal and national park walks, year-round warm temperatures, and food haunts at every turn, finished off with spectacular sunsets.

HIGHLIGHTS

- Spot dolphins, whales, wallabies and koalas when walking in the Noosa National Park
- Swim or surf at protected Noosa Main Beach in crystal clear water
- Boutique shopping and world-class dining on Hastings Street
- Experience the majestic beauty of the Noosa Everglades

DAY 1

NOOSA NATIONAL PARK

Arrive into Brisbane International Airport (BNE), or fly into Sunshine Coast Airport (MCY) from Sydney, Melbourne, Cairns, Adelaide or Auckland in New Zealand.

Noosa is an easy 90-minute drive north of Queensland's capital city, Brisbane and just 30 mins from Sunshine Coast Airport.

Con-X-ion Shuttle Transfers provide an hourly shuttle service from both Brisbane and Sunshine Coast Airports, direct to Noosa. Private transfers can also be booked with a range of companies, including SUV Select or Tesla Transfers.

Walk Noosa National Park's spectacular coastal and rainforest trails. Learn to surf with Go Ride A Wave at Noosa Main Beach before shopping on Hastings Street and dining beachfront on delectable local produce.

DAY 2

SERENE NOOSA EVERGLADES

Meet your shuttle bus transfer or self-drive from Noosa Heads for the 30-minute journey to the Noosa Everglades – one of only two everglades systems on Earth. Here you will board a purpose-built eco vessel to explore the wilderness of the Noosa Everglades on an Everglades Eco Safari tour, or a more energetic kayaking tour with Kanu Kapers Australia, both advanced eco-certified businesses. Cruise through the subtropical rainforest and unforgettable, reflective waterways. Learn about the local Kabi Kabi people and the magnificent variety of fauna and flora.

Stay overnight in a glamping tent with ensuite at Habitat Noosa, surrounded by kangaroos in the wild.

DAY 3

GREAT BEACH DRIVE

Journey on a guided tour by four-wheel-drive from Noosa along the Noosa North Shore beach and through the Great Sandy National Park. Epic Ocean Adventures will take you into one of the Noosa region's secret spots where nature and wildlife collide. Paddle a kayak, stand-up paddle board or learn to surf alongside dolphins, whales (June to October) and other marine life for an unforgettable experience. Great Beach Drive 4WD Tours will show you natural attractions such as the Coloured Sands and extraordinary 180-degree coastal views at Double Island Point Lighthouse. For the hikers, experience the Cooloola Great Walk, an epic 88km hike from Noosa to Rainbow Beach with Adventure Tribe.

DAY 4

SECRETS OF NOOSA TOUR

Joels Journeys will pick you up from your accommodation in Noosa for a full day tour uncovering hidden delights. Explore Noosa's organic markets, tranquil waterways, historic landmarks, and panoramic views. Discover local gems including the Noosa Chocolate Factory, breweries and enjoy ocean-view dining. Finish the day onboard the Noosa Ferry, a custom-built riverboat that cruises along the Noosa River. Relax as you listen to the commentary and take in the breathtaking scenery, birdlife, and multimillion dollar houses.

DAY 5

WORLD HERITAGE-LISTED K'GARI (FRASER ISLAND)

Explore the diverse landscapes of the world's largest sand island, K'gari (Fraser Island). The Discovery Group and Fraser Island Adventure Tours provide return day trips from Noosa to experience this awe-inspiring island. For something extra special, travel by helicopter and meet a private guide with K'gari Explorer Tours.

Alternatively, stay a little longer and drive or fly to Hervey Bay for whale watching with Tasman Venture. Stay overnight on K'gari with Kingfisher Bay Resort, who offer day tours direct from the resort with K'gari Explorer Tours.

EXTEND YOUR TRIP

LADY ELLIOT ISLAND AND THE GREAT BARRIER REEF

Fly to Lady Elliot Island Eco Resort from Hervey Bay Airport to experience a dazzling array of marine life and turtle selfies on the most southern point of the Great Barrier Reef.
